The **2016 Budget** has **2015 YTD as of 4/30/2015** on **Page 7** listed **Electric Fund Revenue** for the PCA Cost as **\$251,606** and Environmental Fee as **\$152,939** and 2016 Adopted as PCA Cost \$1,700,000 and Environmental FEE as **\$175,000**. It appears that the right hand does not know what the left hand is doing in the Finance Department. Who calculated these figures?
