City of East Point Government 

Aug 20 • 

Great News! \$5,420 was raised last night during the Wednesday Wind Down Feed the Heroes Virtual Benefit Concert! These funds will be used to support East Point restaurants impacted by COVID-19 to feed frontline healthcare workers and first responders. We would like to thank Councilwoman Sharon Shropshire for organizing this special event with [V-103 The People's Station](#). Donations are still being accepted at <http://naacpatlanta.org/>
