

ATTY WEEMS DAMNED BY HIS OWN WORDS AND ACTIONS

I was appointed to the Fulton County Housing Authority Board of Commissioners (Board) by Fulton County Board of Commissioners Vice-Chair Khadijah Abdur-Rahman in January 2024. I was excited to join the Board and looked forward to being a productive Member. I had no idea that I was walking into a situation where Atty Antavius Weems; former East Point Solicitor General, Interim City Attorney and Fifty Worst Properties Agent, was Chairman.

At my very first Board Meeting, I quickly learned that the Board was dominated by Chair Weems who showed no respect for the Board Members and employees. The Board was totally dysfunctional and allowed Chair Weems to do as he pleased.

I documented the misdeeds of Chair Weems and Vice-Chair Lamar White in a presentation to the Fulton County Board of Commissioners (BOC) at their May 1, 2024, Meeting. I gave an oral presentation and provided the BOC and HUD Officials with a Documentation Packet.

My Oral Presentation covers Pages 1-3. The other PAGES are the DOCUMENTATION: Part A and Part B.

The NUMBERS at the top of the DOCUMENTATION PAGES refer to the "10" items in my Oral Presentation.

After my Presentation to BOC, Chair Weems added to his violations by:

- 1. Informing the Media Person to cease any communications with me, and I was locked out of the system.**
- 2. Selecting which Meetings that I was informed of after I notified the BOC and HUD of his actions.**
- 3. Failing to post a Special Call Meeting and to inform me of the Meeting.**
- 4. Having telephone Meetings with Commissioners Barbara Duffy and Lamar White that constituted a quorum.**
- 5. Violating the Sunshine Law by voting to pass a “motion to include actions discussed in Executive Session” without stating any actions that would not violate Executive Session protocol. One of the action items that should have been voted on was the hiring of his fraternity brother**

who lives out of the State with no experience with Public Housing to be the next Interim Executive Director.

The BOC is having a Hearing to Remove Antavius Weems and Lamar White on July 29, 2024, because they refused to RESIGN at the REQUEST of the BOC by Chairman Robb Pitts.
